Re: Requests from Unit Owner (2138 (E2), Crow Hill Homeowners Association

Dear Mr. Gorman,

The Board of Directors has been provided with all of your recent correspondence by the property manager. Your requests and suggestions are being submitted to the HOA attorney for review. We have instructed the property manager to forward all correspondence from you to the Board and counsel for review.

Please do not anticipate a reply from the manager or board until we receive a reply from the HOA attorney after he has an opportunity to review your correspondence.
